

Jr High curriculum plan 2010-2011

Faith Basics – 6 weeks

The goal of this study is to help teenagers understand how rescued Christians are and how dependent we need to be on Christ and His Word. By studying in an engaging, inductive manner, students will gain a greater understanding of how devastating that Garden of Eden sin was, how separated we are from God, and how in Christ that separation is conquered.

Week 1 - Don't Wait for the Movie – Know the Book

Week 2 - Sin Sinks!

Week 3 - Rescued 911

Week 4 - PAID in Full

Week 5 - Plug into the Power

Week 6 - Throw the Rope

My Purpose will Stand

A study on the providence of God

God is not an idle God. He is continually involved with all created things, directing them to accomplish His eternal purposes. This study teaches students to recognize God's providence in their lives and to joyfully trust His good purposes for them. Each lesson reveals that God is the sovereign ruler of the universe whose eye is watching over all things, and whose hand is working in all things.
