

Some ways to help pay for CityUprising:

1. Get a job.

-shovel snow!

-Babysit

-Lawn care – as weather gets warm, mow grass, trim bushes, pull weeds, etc.

-if old enough go work at a great place like Chick-fil-a!

*If you have interest in doing some yard work, we may know of families that would love to hire you to help with some stuff around their home. Contact Lisle if you have interest here.

2. Make payments.

-You can start now by making monthly payments.

3. Don't buy lunch at school.

-take your lunch and save the money you would normally use to buy lunch to help with some of the cost.

4. Sell some stuff on Ebay or Craigslist.

-We all have stuff that we could get rid of, so take a pic and post an ad!

5. Do a yard sale.

6. Make it a family project.

-explain to the family that your son or daughter would like to participate in CityUprising and as a family, once a month, instead of going out to eat use that money to pay toward the expense.
